

TABLE OF CONTENTS

Preface	iii
Chapter 1 – Cycles and II-V Sequences	1
Fast-moving dominant cycles	1
“Root to root” cycles	3
“3rd to 3rd” cycles	4
“3rd to 5th” cycles	5
“3rd to root” cycles	6
Fast-moving cycle connections in a nutshell	6
A sample chorus on a jazz standard featuring extensive use of fast-moving dominant cycles	9
Quick II-V whole-step sequences	11
“Root to root” patterns adapted to II-V whole-step sequences	12
“3rd to 3rd” patterns adapted to II-V whole-step sequences	14
“3rd to 5th” patterns adapted to II-V whole-step sequences	18
“3rd to root” patterns adapted to II-V whole-step sequences	22
Supplemental cells for fast-moving dominant cycles and II-V whole-step sequences	23
Chromatic II-V sequences	29
Chapter 2 – Turnarounds	41
Standard turnarounds	41
Adapting II-V whole-step sequences to standard turnarounds	43
Editing and phrasing the standard turnarounds	49
Turnarounds using the #I diminished	51
Turnarounds using the #II diminished	52
Turnarounds that use IV to #IV diminished	54
Turnarounds that use IV to IV minor	56
Turnarounds that use an augmented sixth chord	58
Turnarounds that descend chromatically to the II chord	59
The classic “Dameron turnaround”	63
The “C.T.A.” turnaround	70
Coltrane’s “Giant Steps” changes	71
Chapter 3 – Longer II-V Progressions	75
Unaltered long II-V changes	75
Long II-V changes using tritone substitution	87
Long II-V changes using minor 3rd substitution	98
Combining long II-V changes on the Rhythm changes bridge	104

Chapter 4 — “Outside” and “Free” Playing	111
“Side-slipping”	114
Extended or consecutive side-slipping up or down chromatically	119
Sequencing up and down in whole-steps	121
Sequencing down and up in minor thirds	121
Sequencing down and up in major thirds	123
Sequencing up in 4ths	132
Sequencing in tritones	133
Some interval combinations	134
Chapter 5 — More “Outside” Lines: “All Purpose Licks”	
—including Chromatic Intervals, Serial Tone Rows, and 23rd Chords	136
Chromatic interval studies	138
Serial tone-rows part 1 — non whole-tone intervals moving in whole tones	141
Serial tone-rows part 2 — consecutive 4ths and 5ths	144
Serial tone-rows part 3 — 23rd chords	147
